Application

In order to participate in the Workshops, an online-registration Internet application as well as the transfer of the participation fee is necessary. The application is legally binding and obliges the applicant to pay the participation fee, even if the registered applicant does not attend the Workshops. In case the amount received by the organizer does not correspond to the correct participation fee, e.g. due to currency exchange issues or is not done in time, the organizer will require the registered applicant to pay the difference during the on site registration at the Workshops' venue in cash.

In case more applications are made than vacancies are available, the time of the receipt of the participation fee is decisive. Therefore, the application does not grant a claim to attend the Workshops in case the Workshops are fully booked.

After finalizing the online-registration application, the applicant will get a written confirmation as well as the invoice by e-mail. Therefore, it is necessary to provide a valid e-mail address when registering for attending the Workshops.

Students are requested to send a copy of their student ID card via e-mail or fax. Student rates are granted until the age of 26 and student ID must be valid until at least October 2018.

The discount for combination tickets will be given only for bookings of the Workshops made in the same transaction.

Your credit card will show a charge to: BTZ-Bremer Touristik-Zentrale GmbH, the company providing registration services for the Workshops.

In case of payment by bank transfer, the participant is responsible for paying the banking fees.
